Compliance checklist (to be filled by the aerodrome operator)

Type of activity		
<input type="checkbox"/> Certification	<input type="checkbox"/> Surveillance	<input type="checkbox"/> Application for change
<input type="checkbox"/> Initial	<input type="checkbox"/> Periodic	<input type="checkbox"/> Organization
<input type="checkbox"/> Amendment	<input type="checkbox"/> Follow-up	<input type="checkbox"/> aircraft / operations
	<input type="checkbox"/> Special	<input type="checkbox"/> facilities / services

Instructions for completing the compliance check-list: The operator shall review each Regulation, Technical Standard, Advisory Circular, Directive, Order, etc., and for each individual requirement/directive, indicate whether it complies or not, or if it is not applicable for its operations, and:

- (a) In case of compliance – provide in the column “operator’s comment” a specific reference of implementation, i.e. para (a), section, 1.1.1, aerodrome manual/procedures (latest approved edition),
- (b) In case of non-compliance – indicate in the column “operator’s comment” plan for compliance , i.e. amendment of the aerodrome manual, implementation date, and
- (c) If it is not applicable - provide in the column “operator’s comment” reasons why is not compliant
