ESWATINI CIVIL AVIATION AUTHORITY

ECA/REG/AGA/F/047

Proposal for a new aerodrome standard or amendment of an existing one, to be filled by any institution, an aviation personnel, an aviation service provider, a member of management or staff of the Eswatini Civil Aviation Authority

A proposal for new standard or amendment of an existing one is to be submitted to the Legal Department of Eswatini Civil Aviation Authority when:

- (1) the individual or aviation institution finds it necessary to regulate an aviation activity not covered by current Civil Aviation (Aerodromes) Regulations;
- (2) a new Standard or Recommended Practice, or an amendment to existing one contained in an Annex to the Convention on International Civil Aviation has been adopted by the ICAO Council;
- (3) information in the Eswatini Standard contradicts information found in other documents approved by the Eswatini Competent Authority;
- (4) a problem or deficiency within the legislation has been identified as making compliance difficult or impossible; or
- (5) evidence (from inspection/audit or accident/investigation reports) indicates that a need for regulating certain activities are considered necessary.

PART A. Particulars of the Person/Entity submitting the proposal
